Your journey starts here...

English National Opera exists for everyone, creating new experiences with opera that inspires, nurtures creativity and makes a difference. Our vision is for lives changed through opera.

We take a fresh inspiring approach to opera to reflect the diversity of our culture.

We believe that opera is a living art form able to connect to people from all parts of our society. We collaborate with a range of artists and art forms as part of our commitment to the future of the art form. We sing in English, as we believe it enhances the emotional connection between performers and audiences.

We encourage creativity throughout the company and our commitment to the future of opera provides a platform to develop outstanding careers.

We are a world-class national company recognised internationally for the standard of our work. We nurture talent across the entire company including a platform for young singers to start and then develop global careers.

We connect to audiences through inspiring, accessible, world-class opera and stimulating, creative participation programmes.

We create our productions for the widest possible audiences and aim to introduce completely new audiences to the magic of opera whether at the London Coliseum, outside of our theatrical home or internationally.

We make our productions accessible by offering a large proportion of tickets at affordable prices, and through our attendance schemes.

We work with a wide range of visiting companies to generate essential revenue and welcome new audiences to share the experience of our theatre.

English National Opera is founded on the belief that opera of the highest quality should be accessible to anyone.

The award-winning ENO Orchestra is renowned for the versatility of its repertoire spanning four centuries, providing the musical landscape and emotion for all ENO productions.

As equally at home in the fun and sparkle of Gilbert and Sullivan as it is in Wagner's epic scores, it also brings to life the complexities and colours of contemporary operas including those by Birtwistle, John Adams, Tansy Davies, as well as musical theatre productions like Sweeney Todd, Sunset Boulevard and My Fair Lady.

With an established reputation for its Handel work, from pioneering performances with Charles Mackerras in the 1980s to new work with specialists like Laurence Cummings for the BBC Two broadcast of Messiah (Easter 2021), in recent years the Orchestra has also received praise for the stamina and commitment it brings to the operas of Philip Glass, including the award-winning productions of Satyagraha and Akhnaten.

Benefiting from the experience and passion of its players, the ENO Orchestra attracts some of the country's brightest talent. It actively seeks to train the next generation of players through the ENO Evolve scheme with the Royal College of Music; and support a new generation of conductors through the ENO Mackerras Fellowship.

It also seeks to inspire young people in its work with the ENO Engage department, welcoming schools to its dress rehearsals, playing and recording for educational projects and participating in workshops.
