

Senior Lighting Technician Candidate Pack

EN
O

Your journey starts here...

English National Opera exists for everyone, creating new experiences with opera that inspires, nurtures creativity and makes a difference. Our vision is for lives changed through opera. Working across our creative centres in London and Greater Manchester, we take a fresh, inspiring approach to opera that reflects the diversity of our culture.

We believe that opera is a living art form able to connect to people from all parts of our society. We collaborate with a range of artists and art forms as part of our commitment to the future of the art form. We sing in English, as we believe it enhances the emotional connection between performers and audiences.

We encourage creativity throughout the company. Across London and Greater Manchester, we develop new artistic ideas, commission and create ambitious new work, nurture talent and help shape the future of opera.

We are a world-class national company recognised internationally for the standard of our work, with creative centres in London and Greater Manchester.

We nurture talent at every stage of the creative journey, supporting artists, creative practitioners, young singers and future creative professionals to develop and build outstanding careers.

We connect people through world-class opera alongside ambitious learning, participation, creative health, artist development and skills programmes that enrich lives and strengthen communities.

We create our productions for the widest possible audiences and aim to introduce completely new audiences to the magic of opera whether at the London Coliseum, across Greater Manchester, throughout the UK and internationally.

Across both creative centres, we create productions and creative experiences for the widest possible audiences, introducing new audiences to the magic of opera at the London Coliseum, across Greater Manchester, throughout the UK and internationally.

We work with a wide range of visiting companies to generate essential revenue and welcome new audiences to share the experience of our theatre.

Senior Lighting Technician

Summary

The Senior Lighting Technician is responsible for supporting the Head of Lighting and Lighting Supervisors in the high-quality delivery of all ENO productions and visiting productions to the London Coliseum.

The role is a first line manager, providing operational leadership within the Lighting Department, adopting a hands-on approach, while ensuring work is carried out safely, efficiently, and to a high professional standard.

Contract dates

ASAP-21/03/2027

Please note that candidates must be available for all dates to apply.

Reports to

Head of Lighting

Salary

£1,015.08 per week

Location

London Coliseum

Hours

44 hours per week averaged across the contract

Senior Lighting Technician

Key Responsibilities

- Consult with Head of Lighting and Lighting Supervisors, to prepare all equipment required for a specific production – ensuring the required amount is available and in complete working order
- Work closely with Head of Lighting and Lighting Supervisors and keep them informed of all changes to plans in order that all paperwork can be kept up to date and assist in the maintaining of accurate records of the production
- Prepare specialist equipment for a particular production in consultation with Head of Lighting and Lighting Supervisors
- Organise the permanent and fixed term Lighting Technicians to ensure a smooth changeover
- Pass on knowledge to less experienced team members and instruct where necessary
- Keep Head of Lighting aware of any possible training needs that may become evident
- Where appropriate, undertake part of the focus of a show during a changeover
- Support the Head of Lighting and Lighting Supervisors in the management of health and safety within the Lighting department, ensuring compliance with ENO's Health and Safety Policy and Risk Assessments, upholding the strictest health and safety practices at all times
- Participating in Risk Assessments and ensure that accidents/near misses and potentially hazardous situations are reported
- Attend relevant production/technical meetings and notes sessions
- Helping ensure effective communication across all departments to maintain high standards of work
- Carry out additional responsibilities as required to support departmental and organisational objectives
- Cover colleagues in higher and lower grades, where appropriate
- Champion and embed ENO's values in day-to-day practice, supporting an inclusive, respectful, and collaborative working environment across all departments
- Promote high professional standards and positive behaviours within the Lighting department, ensuring a respectful, collaborative culture that supports both ENO productions and provides a seamless, supportive experience for visiting productions to the London Coliseum

Senior Lighting Technician

Person Specification:

Required:

- An ability to be an effective team leader able to guide and motivate lighting personnel
- Working knowledge of current lighting equipment, including automated lighting fixtures, ETC Apex control, and Luminex data network
- Experience rigging lighting equipment and an understanding of basic rigging practices
- Experience and practical knowledge in fault-finding, maintenance and repair of lighting equipment
- Ability to read and interpret lighting plans
- Excellent stage craft skills and the ability to work at height, using access equipment
- Practical experience of safe working practices within a theatrical environment
- Working knowledge of Health & Safety legislation, including LOLER and PUWER
- Ability to work both independently and as part of a team
- Proactive, flexible, and collaborative approach
- Strong organisational skills and ability to perform under pressure
- Highly professional and adaptable, with strong interpersonal skills and the ability to handle high-pressure situations diplomatically
- Excellent written and verbal communication skills, with the ability to engage effectively at all organisational levels
- Strong IT skills, including the use of Microsoft 365 (Outlook, Excel, Word)

Desirable:

- Ability to program ETC lighting control systems
- Basic knowledge of electrical systems and of electrical safety standards, including BS7909
- Recognised certifications in Rigging, Stage Craft, Health & Safety and use of access equipment
- Experience working at height using harnesses and positioning equipment
- Ability to use Vectorworks (or other CAD software)
- Professional experience in large-scale repertory or receiving house
- Experience in another department within the theatrical environment
- Ability to carry out risk assessments and method statements
- Touring experience

At the ENO, our people play a vital role in helping us create extraordinary encounters with opera and beyond, so it's just as important that we reward people beyond their salary to recognise their contributions.

Application Deadline

5pm, Sunday 20 September 2026

Interviews

24 & 25 September 2026, London Coliseum

We're proud to be a Disability Confident Employer. If you'd like to apply through the Disability Confident Guaranteed Interview Scheme or require any reasonable adjustments for the application process, please email workwithus@eno.org

Backstage Secrets to Success

Read the job description carefully

The job description is your score and every note counts. This will help you understand whether the role is a good fit and what is required, so you can tailor your application effectively.

Read the application requirements carefully

Before your first act make sure you know your cues and stage directions. Check for any word limits, additional tasks, or submission deadlines.

Tailor your cover letter

Your cover letter is your aria- your chance to shine. Use this to tell us things that we can't see on your CV for example: why you want to work with us, how our values align with yours, and any transferable skills that make you a great fit for the role.

Check your application

Before submitting, review spelling and grammar, ensure attachments are included and correctly named, and double-check that your contact details are accurate and up to date. This is not a rehearsal. We repeat, this is not a rehearsal!

Prepare for your interview

Research the organisation, be ready to discuss experience mentioned on your CV, and think about questions you'd like to ask us. See the interview as a duet where each voice is equally as important.

Use AI tools mindfully

AI is a brilliant tool that's transforming how we work however, please ensure your application is honest and a true reflection of your experience. You can use AI to check grammar and spelling, improve structure and formatting, research the organisation or rehearse mock interviews but remember when the curtain rises, we want to see the real you in the spotlight.

Online interviews

If your interview is online, have a technical rehearsal. Check that the link works beforehand and make sure you have a quiet space, a good internet connection with minimal distractions.

In-person interviews

Confirm who you'll be meeting on the day, check your route in advance, and leave plenty of time in case of travel disruptions. This is your 5-minute call, you have 5 minutes.

Accessibility

We are an inclusive employer and want to ensure that our process is as accessible as possible. If you have any access requirements, please let us know as soon as possible by emailing us on workwithus@eno.org so that we can ensure that the stage is ready for your performance.

Confidentiality

Confidentiality is so important in this role and our policy is strict. All information concerning staff, patrons and other ENO business, the disclosure of which could be detrimental to the company, must be held in the strictest confidence and may not be divulged to any unauthorised person at any time.

Data Protection

Data Protection and adherence to GDPR is equally important. We therefore require that computer information should only be accessed if this has been authorised and is necessary as part of the postholder's work. You will need to be aware of the GDPR 8 key principals, and the Computer Misuse Act 1990.

Health and Safety

Health and Safety is so important at ENO and we would expect that the postholder will be happy to undertake personal responsibility for safety as will be outlined in the ENO safety policy and the Health and Safety at Work Act 1974.

Equal Opportunities

Equal Opportunities is a given. We will expect the postholder to abide by ENO's policies on Equal Opportunities and Dignity at Work.

Code of Conduct

Code of Conduct is sometimes assumed, but at ENO we will require the postholder to act in accordance with ENO's Code of Conduct whereby everyone shall be treated in a professional and courteous manner with full regard to the avoidance of discrimination, consistent with current equal opportunities employment legislation.
